

## MISSIONS IN FOCUS: Andy & Nikki Gray, SIM in Niger

Greetings Lake City family! We miss you all and think of you often. It was such a joy to have the team here - thank you for sending them to serve us. The mission community here was massively encouraged by their hearts of joyful service. We recently organized two marriage seminars where we were able to have a teaching team of African couples! This has been a BIG dream of ours and we learned a lot for this ministry moving forward. Ruth is in the final throes of her senior year of high school here, and both of our boys are enjoying their studies at Whitworth in Spokane. Thank you for always praying for us - we feel truly loved by our church family there.

### Prayer Requests:

- Pray for our health and energy these next three months as the temperatures rise.
- Pray for Andy and I to have meaningful connections as we visit each of the couples from our marriage seminar in their homes.
- Pray for wisdom to plan a get together with the singles from our seminar.
- Pray for us to accomplish the goal of having the material about sexuality finished before we leave this summer.
- Pray for Ruth to have a strong finish in high school.

## PASTOR ERIC & JULIE VBS

As we announced earlier this year and in services last weekend, Pastor Eric VBS is stepping out of his role serving as our Pastor of Missions. He and his wife Julie have moved to Texas this past week. Both have been important parts of

this church for the last few years. They have led community groups, served on our host team, and discipled and poured into countless people during their time here.

Pastor Eric's leadership of our Global Missions Team strengthened and expanded a function that was already accomplishing so much. He led with unmatched skill, a deep passion for those who don't yet know Jesus, and a smile that radiated kindness and love. How grateful we are for the impact they have had on our church family. We are so thankful they plan to visit Washington often.

We love you and will miss you, Eric and Julie!
