Missions In Focus

Tyler & Karen Pease:

Tyler & Karen Pease minister in the Pacific NW with a focus on helping others grow in their love for God and obedience to His global purposes. Tyler is the incoming NW Regional Director for Perspectives (WA, OR, ID, MT & AK). Perspectives is a 15-week globally-focused discipleship program that helps people live with greater purpose. We want to establish “Perspectives movements” throughout the NW where Perspectives is regularly offered as a result of multiple churches working and growing together. Karen coordinates Better English in Tacoma, reaching international friends through English classes, Discovery Bible Studies, and Conversation Partners. Better English is a great example of the benefit of having Perspectives offered regularly. As churches engage in Perspectives, they gain a unity around God’s global purposes, leading to practical collaboration. We have served students from over 27 different countries, which is only possible because we are a multi-church ministry.

Prayer Requests:

- Pray that we would be able to quickly raise our needed financial support goal. We are currently at 73% and are hoping to be at 100% by October. This is required for Tyler to fully begin his role.
- Pray for several potential Perspectives classes starting to form. Many of these need an extra push as people are trying to recapture momentum lost since 2020.
- Pray that we would be able to start a new Discovery Bible Study group for unbelievers this fall.
- Pray for new partnerships for our Better English ministry. We are currently exploring several extensions of this ministry around Tacoma.
