Party at the Park Update

After much discussion and prayerful consideration, we have decided to conclude our annual Party at the Park event. We are incredibly grateful for the many memories, connections, and moments of community this event has created. As our church family has grown to more than 1,800 people, we have been encouraged to thoughtfully evaluate how we steward our time, finances, and resources to best support the ministries and opportunities God is placing before us. We remain deeply committed to continuing to Love God + Love People and are excited for the ways we can invest in the future ministry and growth of our church family.

MISSION IN FOCUS: RJ & Sabrina Prestwich, Cadence International, JBLM

RJ and Sabrina Prestwich serve with Cadence International, a ministry to the military, focusing on evangelism and discipleship through hospitality. They open their homes every week providing a home away from home for active duty single soldiers here at JBLM. In addition to weekly Bible studies, they work to create a family community focused around the gospel. The Cadence community will often be found celebrating life events, birthdays, holidays, graduations and promotions, or even out exploring the beauty of the PNW.

The ministry is important because young service men and women are often away from home for the first time. This separation from their family and home can create a profound sense of loneliness, coupled with the reminder that peace is fragile as we remember the men and women who have sacrificed their lives for that peace and our freedom, they know they have stepped forward as the next to provide that freedom and peace. These realities can weigh heavy especially this Memorial Day weekend.

Pray With Us

- That service men and women would respond to the gospel call.
- That God would keep our service men and women safe.
- For the Prestwich family as they travel this summer, sharing ministry reports with ministry supporters.

PREPARED FOR A LIFE OF SERVICE

Emily Rodriguez, Grade 5

I have been a part of Serve Team for the last two years. God has used Serve Team to grow me in so many ways. Being part of a church family means serving because that is the example that Jesus set. Through Serve Team I have had many opportunities to put that into practice.

Some of my favorite things we have done this year include serving in the preschool ministry, welcoming new kids to children's church on Sunday mornings, and housekeeping. I also really loved being a waitress for the Valentine's Day Dinner because it felt good to be helpful at such a big event. We also did fun things during meetings, like playing games, as well as bigger things like planning and holding our own Christmas party. I have made lots of friends and grown in confidence to volunteer for things I would not usually choose to do.

"God has used this ministry to help me build a habit of service, prepare me well for other opportunities to serve as I get older, and helped me see how service should be a part of a fulfilling faith-based life."

Romans 12:4-6 says, "For as in one body we have many members, and the members do not all have the same function, so we, though many, are one body in Christ, and individually members one of another. Having gifts that differ according to the grace given to us, let us use them." You don't have to wait until you are older - God can use you right now, even the smallest things are helpful, and everyone has a skill to offer.

Serve Team is all about dedication, hard work, and taking pleasure in your effort. God has used this ministry to help me build a habit of service, prepare me well for other opportunities to serve as I get older, and helped me see how service should be a part of a fulfilling faith-based life.

Serve Team is an opportunity for students in Grades 4 & 5 to serve their church family.
