3. "...what the angel told Daniel in these verses must refer to the last one of Daniel's seventy weeks. This is the last seven-year period before Jesus Christ returns to establish His earthly kingdom. Jesus called the end of it a time of "great tribulation" (Matt. 24:21), and Daniel's angel called it the worst period of distress that the Jews will ever see (12:1; cf. Jer. 30:7). Therefore it seems reasonable to conclude that what follows will occur in that seven-year period: the Tribulation." – Dr. Tom Constable, taken from Culver's commentary on Daniel
