MISSION IN FOCUS: LC3 High School Mission Trip 2026, Dream Center, CA

This summer, our team is preparing to serve with the Los Angeles Dream Center, where students will have the opportunity to put their faith into action through hands-on ministry and community outreach. In the weeks leading up to the trip, we have been gathering regularly to train, pray, and build unity as a team. Students have been practicing how to share their faith, learning about servant leadership, and preparing for the unique opportunities and challenges they may encounter while serving.

Our desire is not only to make an impact in Los Angeles but also to see God transform the hearts of our students as they step outside their comfort zones and engage with people from different backgrounds and experiences. We are excited to partner with the Dream Center's ongoing work of bringing hope, practical support, and the love of Jesus to the community, and we are expectant to see how God moves through this experience.

Pray With Us

- Pray that our students would grow spiritually and deepen their dependence on Jesus through the trip.
- Pray for meaningful Gospel conversations and opportunities to serve others with compassion and humility.
- Pray for team unity, flexibility, and strong relationships as we live and serve together.
- Pray for safe travel, good health, and God's provision throughout every aspect of the trip.

BUILDING RELATIONSHIPS & GROWING

Cheryl Wofford

As a member of the older generation, I have come to appreciate the importance of a vibrant ministry that encourages health in body, soul, and spirit. Legacy Builders (formerly known as Prime Timers) has been exactly that for me and many others. It is a place where we can be known, valued, and even laugh together when we forget the word we were just about to say!

One of the things I appreciate most about Legacy Builders is that everyone is welcome, whether you come on your own or as a couple. It truly makes no difference. Along with enjoying a wonderful lunch together at our monthly luncheon, we are encouraged through personal testimonies, meaningful conversations, and engaging activities that help us reflect on biblical truths and historical events.

"I may be older, but I know that I am still seen by the Lord, still growing, and still called to be part of His work."

Legacy Builders has reminded me that I do not have to live in isolation. It is a place where new friendships are formed and old friendships are renewed. We are encouraged to invest in the next generation through mentoring, Bible study, providing rides for those who no longer drive, and staying actively involved in the life of the church.

A couple of the ministries I currently serve in are Alpha and the Food Bank. I am grateful that I can still use my gifts to serve others and that I have not "aged out" of ministry. Instead, I am continually reminded that God still has a purpose for my life.

Philippians 1:6 is especially meaningful to me: "He who began a good work in you will carry it on to completion until the day of Christ Jesus." I may be older, but I know that I am still seen by the Lord, still growing, and still called to be part of His work.
