

Missions in Focus: Eddie & Kendra Johnson, Young Life

My prayer for Young Life echoes that of the Apostle Paul in Ephesians 3:16-20. When we are rooted in the love of Jesus, with all the saints, amazing things can happen. Even more amazing things than we could ask or imagine.

This year our heart for our ministry is "Healthy things grow & there's room to grow." When we are rooted in God's love, we are healthy and ready for growth. The height, width, depth, and length of God's love is so great that there is more than enough room for everyone - there's room for growth! Will you pray for us that we'd be rooted in God's deep love?

Prayer Requests:

- Growing our monthly donor base
- Growing our committee members
- Growing our teams to see what ministries could start next

A Story of Two Motorcycles

In June, the LC3 family raised funds to purchase two good, used motorcycles to be used for bush evangelism by nomadic Fulani in Niger. These are especially useful since Fulani are cattle herders and typically spread out to allow their herds adequate grazing, especially in areas where grass is scarce.

For four days in September, four of Jon Banke's friends used the motorcycles for outreach in the Nigerien bush. Paired on the two bikes, they visited various settlements with the message of salvation in Jesus Christ. Most of the people with whom they spent time are from their own clan, many of them relatives. All four are well known and respected in the wider community, affording them open doors to speak about Jesus.

Jon heard back from them upon their return. The trip went well and they had the opportunity to address a number of people. Many are fearful and cautious about making a decision to follow Jesus as it represents a significant break with their cultural traditions and from their greater identity as Fulani.

Would you pray for preparations and open hearts as these listeners come into occasional contact with other Christian Fulani?
