

WELCOME GUESTS!

We are so glad you joined us this weekend and hope you find your time here rejuvenating and encouraging. If you're joining us at our Lakewood campus, please visit our Welcome Center in the Gathering Area - we'd love to know you are here and help you find ways to connect. Below are some tips for our Lakewood campus to help you feel comfortable.

- There is a **Family Worship Room** in the rear of the Worship Center where your children are free to move about.
- Please visit our self-serve **Library** in the Lower Lobby anytime the building is open.
- Join us for our next **Starting Point class Sunday, November 9, at 11am in the Olympic Room** to meet others looking for church community, learn about LC3, and meet pastors and staff.

MISSION IN FOCUS

DONALD & JENNIFER POLING, ONE CHALLENGE INTERNATIONAL

Donald and Jennifer Poling serve with OC, advancing missions through strategic research and global collaboration. Donald focuses on identifying pathways for missionaries to enter restricted or sensitive countries as workers, enabling long-term presence and impact. His work blends operational insight with cultural sensitivity, helping teams navigate complex environments with integrity and purpose.

Jennifer serves on OC's Global Research Team, contributing to reports that assess the effectiveness of mission efforts worldwide. Her work equips leaders with data-driven insights to shape strategy, steward resources, and amplify gospel impact.

Together, the Polings are committed to building sustainable, redemptive frameworks that empower workers and communities alike. Their ministry is fully donor-supported, and they are seeking new sponsors to expand their reach and deepen their impact. Contact them at DonPoling1@gmail.com.

Prayer Requests:

- Funding. We would love to have people join us financially in our mission
- Jen has started a master's program in data science, on a full scholarship, that directly relates to her job with One Challenge. Pray that she will be able to balance schoolwork, missions work, and home.
- Safety and effectiveness for the missionaries that use Don's research when they are deployed to dangerous locations.
