## MISSION IN FOCUS: Bob & Cheryl Fox, Niger

We are the Foxes, Cheryl and Bob. We work for SIM at Sahel Academy in Niamey, Niger. Cheryl currently supervises one of the online Algebra classes and helps with administrative tasks. She is organizing the Cambridge International exams that will be held at our school in May. Bob is the high school English teacher and helps supervise the computer lab for our online students.

This year has been very challenging because of a significant staff shortage. As a result, everyone is taking on several roles to keep the school operational. Despite the challenges we enjoy what we do because we get to help students grow in their walk with Jesus. Niger is a difficult field and so we greatly appreciate your financial and prayerful partnership.

### Prayer Requests

- Health for ourselves and our co-workers.
- Provision of financial support for the increased costs of healthcare.
- Safe travel as we return to the States in June.
