MISSION IN FOCUS: Jeff Butler, Family Hope International

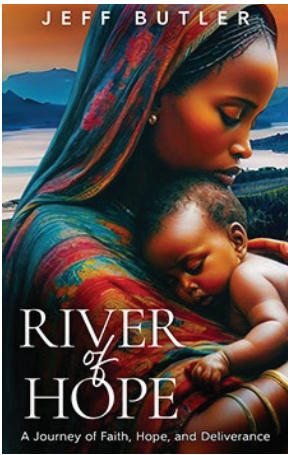

Family Hope International continues to bring life-transforming hope to families in Ethiopia, Kenya, and Malawi! This is only possible because of faithful supporters like LC3 and so many of you who partner with us to care for and provide for families every month. We are incredibly grateful to YOU!

Last year, you partnered with us to bring Hope to Malawi. We were able to launch this new project and began to care for 130 families! Just this last month, we were able to fund over 70 small businesses for families who are ready to begin the Empowerment Phase of our program! Most importantly, we are working with local churches and our in-country team to bring the greatest hope and transformation, JESUS!

We invite you to join us on our Fall Vision Trip to Africa this October, where we will be visiting our project areas in all three countries! For more information, please go to FamilyHopeInternational.org, and click on the Vision Trips link.

Pray With Us

- For our families to continue to receive life-sustaining provisions.
- For families to have success working in their small businesses.
- For the FHI Staff to be encouraged as they serve families.
- For many more to join us on our Fall Vision Trip.

FINDING ANSWERS & COMMUNITY

Brooke Rondeau

As a brand-new mom, I remember picking up *Mama Bear Apologetics* out of a deep—and, I might add, desperate—desire to better prepare myself to defend the Christian faith. Even more than that, I wanted to equip my child with the tools he would need to think critically and build a solid foundation in Christ in a world where lies about who God is and who we are seem to be around every corner (and Disney movie!).

Little did I know that, eight years and one daughter later, God would provide an incredible group of women with whom I could study and grow, and we could sharpen one another through weekly discussions. I am so incredibly grateful for the wisdom, encouragement, and practical strategies I've gained through this group as we have studied *Mama Bear Apologetics* together this summer.

"I am so incredibly grateful for the wisdom, encouragement, and practical strategies I've gained through this group."

One of the greatest blessings has been realizing I'm not alone. There are so many like-minded mamas—and grandmamas—who share the same questions and concerns I do about how to address the hard questions our children will inevitably ask about life, the Bible, their identity, and the world around them.

We have such an incredible opportunity not only to be prepared with thoughtful, biblical answers, but also to teach our children how to think critically and evaluate life's biggest questions for themselves through the truth of God's Word, which I believe is the greatest gift we can give them.

Brooke is referring to the book *Mama Bear Apologetics: Empowering Your Kids to Challenge Cultural Lies* by Hillary Morgan Ferrer, available on Amazon.
