

# The Journey of Faith

**Ice Breaker: What's the hardest thing you've ever gone through or done?**

1. Sam Levenson said “You must learn from the mistakes of others. You can't possibly live long enough to make them all yourself.” Tell about a time you learned from someone else's mistake? What is a mistake you have made from which others could learn?

2. Share about someone you know who has exhibited faith even in some challenging life situations? What stood out to you about that person's response?
3. What helps you live by faith when things get really tough?
4. Abram lied about Sarai to Pharaoh. Discuss the reasons he did that. Then share a time in your life when you acted like Abram. What could you do next time?
