

Eyes Were Opened

Ice Breaker:

1. Why does the analogy of the blind being able to see resonate for the Christian?
2. In what ways have you been able to see more clearly since following Jesus?
3. Jesus calls Zacchaeus to not give up his job as a tax collector, but rather to use it for God's glory. Who do you know that uses their job/career uniquely to God's glory?

4. What are the implications of being blind to our own sin?
5. God gives us spiritual clarity the moment we are saved, but does He continue to give us clarity in other situations after salvation? What are some examples?
