

LC3 Mission in Focus: Tyler & Karen Pease, Perspectives

Perspectives is a discipleship course that enables people to understand God's glorious purpose and the unique role He has designed for each Christ-follower in making His Name known.

We just completed 14 Perspectives classes in the NW, including one in Tacoma. It was wonderful to have several people from LC3 attend and help with the class. We also wrapped up our Better English class for the school year and are excited to have special summer classes offered by partners. We're excited to see more churches partnering with English-learning ministries and refugee ministries in our community.

This month, we are hosting three workshops across the NW for Perspectives teams. In July, we will be in Chicago for the Perspectives 50th Anniversary Conference, then heading to Alaska to speak at a youth conference.

Prayer Requests

- Please pray for our ministries to international friends this summer, especially for our work with refugee families.
- Pray that the Perspectives 50th Conference is a time of renewed momentum for the program.
- Pray for our summer travels, especially for the youth conference in Alaska..

Meet our new Middle School Ministries Director LOGAN BROWN

Hello LC3 Family!

I am Logan Brown, the new Middle School Ministries Director. I was born in Yakima, Washington and spent eight years in Rochester, Minnesota before moving back to Selah, Washington.

With my father being a youth pastor for over 25 years, I grew up in the world of youth ministry. I started serving in middle school ministry during high school and took on responsibilities on the worship and tech team at my church. I knew I was called to ministry the summer after I graduated from high school and pursued a degree in Youth Ministry and Biblical Studies from Colorado Christian University.

I am incredibly excited to see what God has in store for the upcoming year in middle school ministry at Lake City Community Church. I am eager to get to know the students and families and to teach solid, biblically-based lessons. With a deep passion for student ministry, I am dedicated to providing a space for students to feel welcome and seen, and to create an environment where they can encounter Christ and find community.
