

MISSION IN FOCUS: LC3's Trunk-or-Treat

Every year on October 31st, thousands of people in our community dress up to celebrate Halloween. On an evening that can often feel spiritually dark, our desire is to bring the light of Christ to our neighbors in Lakewood. Through a safe, fun, and family-friendly environment, we aim to reflect the love of Christ in every interaction, letting our neighbors know they are seen, valued, and cared for. This is why we host Trunk or Treat, the biggest outreach event of the year here at LC3.

This year, we are expecting over 1,500 guests to walk across our parking lot. And we cannot do this alone! Volunteers are needed to festively decorate their car trunk and hand out sweet treats. While our trunk or treaters go from car to car, volunteers will serve guests hot dogs and popcorn, provide security and hospitality, and more.

Please consider joining us for this opportunity to bring the light of Jesus to those in our community!

Pray With Us:

- An abundance of candy for our many guests
- People to bring their cars and decorate their trunks festively
- Enough volunteers to make the night smooth and enjoyable for all
- The light of Christ to shine in the darkness

October 10 & 11

A Stronger Marriage

Carey & Rikki Bogue

We were married in 1990, and things started out pretty rocky. We came from different backgrounds and didn't have a strong foundation for what makes a healthy marriage, other than simply hoping we could build a good one. We journeyed through life with our "his, hers, and ours" kids, and while some years were really great, others were equally difficult.

Through it all, the one saving factor for our marriage was our faith in God. During the difficult seasons, we sought counseling, which helped us work through some of our challenges, but we still hadn't learned how to resolve conflict well or how to truly value and understand each other.

When we began attending LC3, we were encouraged to participate in re|engage. After a couple of years, we finally made time for it on our calendar. Our only regret is that we didn't do it sooner!

Through re|engage, we learned practical tools for building a strong, Christ-centered marriage alongside a group of other couples who were walking through the same 14-week journey. It was hard work, but being in a safe environment with other couples who were willing to be honest and grow together made the process doable.

We were so impacted by what God did in our marriage that we decided to serve in the re|engage ministry together as a couple. We have seen the fruit of the Lord's good work in our own lives, and we want to share that hope with other couples.

We know we are still growing in our marriage, and we continue to trust God's work in our lives and in the lives of the couples we serve: "He who began a good work in you will bring it to completion at the day of Jesus Christ" (Philippians 1:6).
