

Have Shown Steadfast Love

Genesis 24:11-27

**Ice Breaker: Other than Jesus and your family,
share something you really, really love
and why?**

1. What do you think about Eliezer asking God something so specific to know if the woman he found was the one for Isaac? Do you think it was a test? Have you ever done anything like that?
2. Spend some time as a group talking about the word *hesed* or

chesed. What most stood out to you about the word? What were some of the characteristics of *chesed* that Pastor Tung shared?

3. We were challenged to write a list of things that God has done for us. Please share some of those with one another.

4. What should our individual response be to God's *hesed* love? Is there a way for our community group to respond to God's love?
