

LC3 Mission in Focus: Niger

The power of God's Word!

Recently an evangelist in Niger gave Moses, a former Imam (leader of Muslim worship), an MP3 player. After listening to the New Testament on the audio player Moses commented, "Thank God I heard this before I died and went to hell!" When he returned to his village he played it for his father, who began to dance and shout! "This is God's Holy Word, and it's in my own language—Tamajaq! Son, please get me one of these MP3 players!"

The Good News of God's love spreads across the desert of Niger to the Tamajaq and Fulani through:

- Radio broadcasts several times a week;
- SD cards loaded with Scripture played on cell phones;
- MP3 players with the whole Bible (and more) in local languages;
- Evangelists using taxis and motorcycles to visit distant encampments; and,
- Individuals telling family members about the truth of Jesus.

To learn more please read the Tamajaq/Fulani brochure at the Missions Counter.

In 2023, the LC3 family donated money to purchase two motorcycles (pictured) to support evangelists.

April 13 & 14

LC3's Easter Egg Roundup

Hosted by LC3's The Neighborhood Center & Love Lakewood

The first-ever Easter Egg Roundup was held on a sunny Saturday in the big, grassy field behind the church. 140 little wranglers showed up, with their friends and families, to round-up the eggs grazing on the open range. They traded their eggs in at the "eggs-change" table for candy. Families from church met families from the neighborhood. Invitations to Easter services were passed out. Many people from the community attended Easter services after experiencing a warm welcome at the event.

One of the most impressive features of this event was the "Miracle at the Tomb" walk-through drama. Families were greeted by two Hebrew women who had come to anoint Jesus' body. They encouraged families to go see the angels ahead who could attest to the strange happenings. The angels were guarding a tomb with a large stone rolled to the side where families could see for themselves that it was indeed empty. The angels urged everyone to go talk to Peter and John who could tell them more. Peter and John challenged children to a short foot race. At the end of the race, they explained they had run just like that to the tomb of Jesus only to find it empty. They looked right at the enthralled children and told them about how Jesus had come, died and come to life again so that we could be forgiven of our sins forever.

It was a neighborhood celebration for everyone. The eggs might have enticed them to come, but it was clear why we were so joyfully celebrating. It's not about the Bunny!
