

## LC3 Mission in Focus: Jeff & Deanne Boesel with One Challenge

Jeff and Deanne Boesel continue in their respective ministries of recruitment and member care. Jeff's role has changed slightly. His title is now the Assistant Director of Recruitment, stepping down from the director role last October. He will continue to represent OC at conferences but also focus on the preparation of global workers to live and minister cross-culturally, based on his book, *Prepare for Impact*.

Deanne, as the Director of Member Care, has finally been able to shift some energy from caring for those still impacted by the pandemic to other pressing issues. The two greatest challenges she faces are widespread attrition and that many of our workers are facing the challenge of balancing the care for their aging parents with ongoing ministry. OC is also in a season of loss, seeing many of their early workers, such as Don Boesel, passing away.

### Prayer Requests

- Smooth transition for Jeff in roles.
- Deanne in managing her global care team in a war-stricken world.
- Retirement planning (stepping away from full-time work in two years).

## A STORY OF SERVICE & COMPASSION

JULIA NORQUIST

Dear LC3 Family,

Thank you for your generous donation of 6,506 wipes, 3,817 diapers, and 189 pull-ups for foster care families through Olive Crest. Your willingness to contribute and support this initiative has not only exceeded my expectations, but has also taught me a valuable lesson about the power of service and compassion.

The drive initially started as a school service project, but I learned that even as a youth, I can make a difference and support the vulnerable children in our community. Your kindness mirrors Jesus' words in Matthew 25:40, "Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me." Your donation not only provides essentials and a tangible gift, but also conveys hope and care to families in challenging situations. Thank you for being a shining example of love and support in our community!

Gratefully,  
Julia Norquist
