## QUESTIONS FOR FURTHER REFLECTION:

1. It has been said that you can teach truth without love, but you cannot truly love someone without telling them the truth. Do you agree or disagree?
2. Paul said that the goal of Biblical instruction is not information, but transformation – that we would love God and others. Are there any areas of your life where you are informed about Biblical truth but that it is not producing love in you? What is keeping you from being transformed by the Word?
3. Use a QR Scanner on your smartphone or visit this link: <http://bit.ly/1MO1RwC>. (It's an article called "40 Evidences That You May Have Left Your First Love.")

- After reading the article, do any of these resonate with you, and what will you do about it?
- Describe the times in your life when you felt your love for Christ was at its strongest.
- If you cannot remember a time that you have truly been in love with Jesus, have you ever placed your faith in Christ for salvation? Talk to a friend or group leader.
