

A Season of Renewal Selected Passages

Notes:

QUESTIONS FOR FURTHER REFLECTION:

1. Have you ever gotten lost? Explain the circumstances, how it felt, and how you found your way.
2. Chris said that our culture is changing at an unprecedented speed. Do you agree or disagree? Does that change make you feel anxiety or discouragement? Why or why not?
3. Read **John 15:1-8**. If “abiding in Christ” means abiding in His Word and in prayer, how well would you say you’re abiding right now?
4. This morning we heard that “When God’s people commit themselves and their resources to God’s purpose, they will see God do great things.” What in your life needs to change for you to see God do “great things”?
5. In your own words, explain what Biblical renewal entails (remember, rethink, recommit). Spend some time praying that God would renew your own soul in this season, and also that He would do great things in and through The Bridge.
