QUESTIONS FOR FURTHER DISCUSSION:

1. Share your experience of gathering with the church. Has it been a regular rhythm for you?
2. Chris talked about three gatherings: corporate worship, small groups, and hospitality. Which of these are most difficult for you? What obstacles can you identify that you need to face?
3. Read Hebrews 10:24-25. What does this passage command us *not* to do? Have you ever been in the habit of doing this? Why do these verses say gathering together is so important? How can you give and receive encouragement when you gather with other believers?
4. Who are the people you are pursuing the “one anothers” with? Did any specific “one another” commands stand out to you as you read them Sunday morning?
5. How have you been impacted by someone inviting you in? What steps can you take to practice hospitality more intentionally?
6. Thinking through this series as a whole, which habits need the most attention in your life right now? Consider committing as a group to focus on one or two together.
