QUESTIONS FOR FURTHER REFLECTION:

1. Chris talked a lot about "blessing" on Sunday. Read Genesis 1:28, Genesis 12:1-3, and Matthew 5:1-12. In those contexts, what do you think it means to be blessed by God?

2. Grab a pen and make a list of ways God has blessed you.

3. Think about Ruston and its surrounding area. What is evidence of the *absence* of God's blessing? (Specifically, what is wrong with the world?)

4. How might some of the blessings you've listed (from #2) intersect with some of the problems you see (from #3)?

5. Ask God to give you specific opportunities to be a fountain over the next few days.
