QUESTIONS FOR FURTHER REFLECTION:

1. In what ways do you tend to feel “exempt” from repentance? What factors most contribute to this? (decent morals, family pedigree, culture, etc.)

2. Do you tend to view repentance as a one-time act or a daily, ongoing, moment-by-moment action? Explain.

3. What is some evidence in your life today that you are/are not living a life of repentance?

4. Read Micah 6:8. Would you characterize this statement as a command, a suggestion, or good advice? (Note the word “require”!) Why is this significant?

5. How can you grow in the areas of “doing justice,” “loving mercy,” and “walking humbly with God?” What are some ways you can get involved with the missions opportunities we discussed today?
