QUESTIONS FOR FURTHER REFLECTION:

1. When you think about heaven, what do you think of?

2. Think through the four questions Chris asked. (You can read them on the opposite side.) How do you think our society at large answers these questions? Do you think the Bible does a better job answering them? Why?

3. Chris said that we were created to love/worship God and care for/rule over creation, but because of sin we reverse that; we worship creation and seek to rule over God. How is this true in your own life?

4. Read John 11:17-26. Reread verses 25 and 26. A) What, according to Jesus, is necessary for us to experience resurrection with Him? B) Do you believe this? (If you struggle to believe in the actual, historical, bodily resurrection of Jesus, explain some of your biggest obstacles.)

5. In your own words, explain why the resurrection of Jesus gives us an unshakeable hope for the future.
