**QUESTIONS FOR FURTHER REFLECTION:**

1. Do you have trouble believing the story of Jonah? What are your biggest obstacles to believing this? Did anything Chris said help you believe the historical accuracy of Jonah?
2. Are there any people or groups of people that you struggle to love? Anyone that you would rather see judged than forgiven? Anyone that you are indifferent toward? How does the book of Jonah challenge you in the way you view others?
3. What is your Nineveh? (Where is God leading you that, for whatever reason, you'd rather not go?) What is your Tarshish? (What do you run to when you run away from God?)
4. How have you experienced the destructive consequences of sin (either your own sin or someone else's)?
5. Is there an area of your life that you are resisting God? What would it look like for you to surrender to Him? Are you willing to do this?
