QUESTIONS FOR FURTHER DISCUSSION:

1. In 1 Corinthians 15:42-44, Paul contrasts our current bodies with the resurrected bodies those in Christ will one day possess. He describes our present bodies with the words "perishable, dishonor, weakness, and natural." How are you experiencing these realities in your life right now?

2. Paul says in verses 12-19 that if there is no resurrection from the dead, then everything we believe is worthless. Why do you think Paul believed that? (Those verses are a good starting point)

3. Are there any areas of life that you are dealing with discouragement right now? Share that with the group.

4. Read 1 Corinthians 15:58 out loud. What truths does this verse speak to your area of discouragement?
