

Things are not always as they appear

Luke 20:41-21:4

- Jesus is _____ than we think. (41-44)

- We're more _____ than we think. (45-47)

- _____ is more _____ than we think. (1-4)

QUESTIONS FOR FURTHER REFLECTION:

1. Scott spoke about the people's perceptions of who the Messiah would be to Israel. What false perceptions do you have as to who Jesus is in your life? When those expectations of Jesus are not met, how do you respond?

2. Why are we people who seek titles and recognition? What does this look like in your life? How have you tried to deal with this in the past?

3. Take a moment and read Acts 5:1-11. What does this say about our own desire to be known and what we are willing to sacrifice?

4. What does a modern day sacrifice like that of the widow look like? What would that sacrifice look like in your life this week? What are steps you can take this week toward sacrificial giving?
