QUESTIONS FOR FURTHER DISCUSSION:

1. How are you experiencing strife right now? How would you say that Jesus has “entered into” that strife? Does that encourage you?

2. The proclamation of the angels in Luke 2:14 says that peace is available to those who have God’s favor. How is favor with God possible? Is that a reality in your life?

3. How might the peace that we have with God as a result of Jesus affect the strife in your life?

4. Spend some time in prayer. Thank God for sending Jesus into our strife. Name the areas in your life and world that lack peace. Ask God to give you perspective, and that He would sustain you in the midst of your strife.
