We are designed to be fully _____ and fully

QUESTIONS FOR FURTHER REFLECTION:

1. What are the “fixed points” I generally look to in order to find my way in life?
2. What are some ways that I find God offensive? How do I generally deal with that?
3. Chris mentioned that we are designed to be fully known and fully loved. Have I ever experienced that type of community? If not, what was the closest thing to it? How would I describe that relationship?
4. How can I pursue the type of community that I have been designed for? What are the obstacles in my own life or in my relationships that make this difficult?
