

Orphan Sunday
Deuteronomy 10:12-22

QUESTIONS FOR FURTHER DISCUSSION:

1. Take some time as a group and read Deuteronomy 10:12-22, Psalm 72:4, Micah 6:8, Isaiah 1:17, Malachi 4, James 1:26-27. From these passages, what can we see about the heart of God towards the widow, orphan, foreigner, and the poor?
2. Sunday, we heard from the Williams (Exile Int.) as well as Tara Stone and Megan Hunt (The Well). From what they shared, what most stood out to you? Where did you connect with what God is doing through these people and organizations? Are you aware of the needs of people around the world as well as in our own community?
3. What other needs do you see in Ruston and the surrounding areas that you feel like are going unaddressed and unmet?
4. What can you and your group do to begin to take steps toward engaging the vulnerable, an issue we know is near to the heart of God and one in which he asks us to be a part?
