## QUESTIONS FOR FURTHER REFLECTION:

1. Do you know your neighbors? What are some things you could do to better connect with them?
2. Read **Philippians 2:14-16**. What do these verses say about the world? What do they call believers to? Describe what “shining like stars” means in your own words.
3. Now read **Philippians 2:5-11**. What are believers called to in these verses? (Look at verse 5.) Why is this important in light of the commands in verses 14-16?
4. Read The Bridge Doctrinal Statement at [www.thebridge.cc/beliefs](http://www.thebridge.cc/beliefs). Is there anything that you struggle to understand or believe? What areas do you think are most difficult for non-Christians to believe?
5. In your life, what are opportunities for you to “move toward unbelievers?” What steps can you take to make the most of these opportunities?
6. Spend a few minutes praying for Ruston and the surrounding areas. What are specific ways that you hope to see Ruston “prosper”? Ask God to give you a passion and to give you opportunities to serve our community.
