

A Funny Thing Happened on the Way to...

(Genesis 28:10-29:1)

Today as we continue our summer sermon series (*A Family of Families*), we follow Jacob on a 500-mile getaway from his home in Beersheba to his ancestors' home in Haran. He's fleeing a shady, painful past...and he's moving toward a very murky, scary future.

Where are **you** today?

God is gracious to _____ **and to**

God _____ along the way!

(and we can learn to cultivate a _____)

God _____ along the way!

(though your experience—your journey—won't _____)

How are **you** responding to God?
