What's New??

We decided to break out of the walls of our student center and connect more on campus. On August 15th, we launched an *English Conversation Club* with the support of Chiang Rai Rajabhat University. We choose a topic and then build a one-hour program with conversation prompts and activities around that topic. We plan to focus on topics such as *purpose in life, faith, and hope*.

🙏 Pray that university students with open hearts will join these gatherings and that relationships for a Bible study will emerge from this new group! Praying for breakthrough in Chiang Rai!

New Communication Update!

I have started sending regular ministry and prayer updates through a new platform, *Epistle*. I am making this switch because Epistle makes it easier to get updates to you, it is secure, and is designed to be as simple as possible for you to read on any device.

TWO things to keep in mind:

- 1.) Subscribing is a 2-step process. Once you sign up, you must return to your inbox and CONFIRM your subscription.
- 2.) If you **DID NOT RECEIVE** a confirmation email, it means Epistle was not able to send a confirmation email to that particular address.

Student Spotlight

Meet Jasper. We have had the privilege of knowing Jasper for about 7 months. His interest in practicing English is what brought him to our student center. Jasper is Buddhist and has never seemed to have an interest in anything spiritual. During a question and answer conversation game, the question was:

"If you could have a meal with anyone, living or deceased, who would it be and why?" Jasper immediately answered, "I would want to to have a meal with God. I want to ask him why he created the world and why he created us."

Like many university students we meet, Jasper is searching for truth. **Will you remember Jasper when you pray?**

Most Thai people, like Jasper, do not have a Believer to stand in the gap and intercede on their behalf.

We Need Your Prayers

1. Pray for Jasper and the students at CRRU. They live in atmospheres of intense spiritual darkness. Pray that their eyes will be drawn to the light. May their ears be open to hear the truth. May their minds comprehend the gospel. May their spirits be receptive to Jesus' saving power!
2. Our team is the first "Body of Christ" many of our students have encountered. We strive to function as a healthy, Jesus-centered body. Will you pray that we will help foster unity with each other and other believers? That we encourage and build one another up rather than tear down, forgive one another when needed, and love one another as the Lord commands (1 John 4:7-8). **May the unity we have with one another demonstrate to unbelievers that Jesus is real!**
