

Welcome to your Maundy Thursday at home service!

Read through the directions below before you begin. To participate in Communion later in the service you will need bread and juice. (Or whatever you have on hand to use!)

The last page of this document is an optional coloring page for kids (or fun adults!) if you have the ability to print and have crayons or colored pencils at home. During each of the six middle readings, you can encourage kids to find an image that goes with that reading. If you can't print the page, you can always just look for those images on a screen. There are also discussion questions on the printable page you can use while you eat dinner in between the readings. Or we have these six questions that go with each reading:

After Reading 1: Judas had followed Jesus for almost three years. Why do you think he did what he did that night?

After Reading 2: Place yourself in Peter's shoes. How would you feel if Jesus told you that you would deny Him?

After Reading 3: Whatever we ask, He will do... What do you typically ask for in your prayers? How might God's response reveal the motive in our asking?

After Reading 4: "If you love me, you will keep my commandments." How does obedience equal love (or love, obedience) in the Kingdom?

After Reading 5: What does it mean to abide in Christ? What does it look like in our daily lives?

After Reading 6: "...no one will take your joy from you." How is it possible that regardless of circumstances or persecution, "no one" can take our joy?

Foot Washing Activity:

Before you press play on the video we invite you to participate in a foot-washing activity. This is not required, but it is way we can symbolically remember and experience Jesus washing the feet of the disciples at the last supper.

At the church, we are doing a simple version of this by pouring water over each others feet, and using a towel to dry them off. You can do it in the same way, or whatever makes sense for you and whoever you may be participating with.

Say this blessing after you are done with the activity:

Tonight we reminding ourselves of our call to servant leadership by washing each other's feet - recalling our baptism and as a sign of our commitment to follow in the footsteps of Jesus to love others as He did. May these feet be blessed and be a blessing as we go.

Dinner Service:

At this point we invite you to watch this video and participate during your dinner this evening. It will give you directions as you watch on what to do.

Thank you for joining us from home tonight, we are praying that this experience was a blessing to you, and we are grateful for your participation in drawing closer to Jesus tonight.

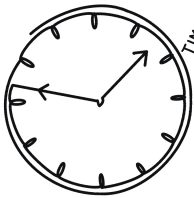

We hope to see you tomorrow for our Good Friday opportunities:
