

PLANNING FOR A CHANGE

Reboot – Part 1 of 4

KEY OBSERVATION: We learn from our mistakes in the areas that matter the **LEAST**. Unfortunately, we **REPEAT** our mistakes in the areas that matter most.

FAULTY ASSUMPTIONS THAT DRIVE OUR DECISIONS:

1. **EXPERIENCE** assumption: We believe experience makes us **WISER**.
 - The truth: **EVALUATED** experience is what makes us wiser.
2. I know **BETTER** assumption: We believe that since we know better, we will **DO** better.
 - Key Question: What must I do **BEFORE** the next time to ensure that I actually **DO** better?
3. **TIME** is not on my side assumption: I am not getting any **YOUNGER**, so I need to get on with it!
 - The truth: Before you rush to make another decision, you need to find **BALANCE**.

KEY TAKE-A-WAYS:

- #1. **SELF-ABSORBED** people make self-absorbed **DECISIONS**.
- #2: When you are **HEALTHY**, you have **CLARITY**; and then you make **BETTER** decisions.
- #3: The right reboot of our life means we come back with an understanding that God has a divine **PURPOSE** for our lives and we now live a lifestyle of incredible **HUMILITY**.

“And we know that in all things God works for the good of those who love him, who have been called according to his purpose.” Romans 8:28 TNIV
