the life cam
After several years of driving, finally a dash cam was added to my dashboard clutter. This device proved to be more than just another electronic thing—the pictures it took provided hours of videos that were almost always embarrassing for the driver being filmed. During my nighttime stops, I had no need for a TV in the truck—I watched what the dash cam recorded that day and was entertained, scared, amazed, and always thankful I'd avoided wrecks. And, the unique videos weren't limited to regular or commercial drivers, occasionally my dash cam captured a police car doing less than police-like driving maneuvers. I saved the "best" of the videos in a file.

What if at the final judgement, a review of all the occurrences in our lives is done in the format of a "dash cam"?--probably more accurately called a "life cam." We should do our best to live so that we won't be embarrassed or ashamed by any of those videos. We can follow the advice in Titus and Philippians as we live every moment of every day. "In all things show yourself to be an example of good deeds, with purity in doctrine, dignified, sound in speech which is beyond reproach, so that the opponent will be put to shame, having nothing bad to say about us." Titus 2:7-8 NASB "Do all things without grumbling or disputing; so that you will prove yourselves to be blameless and innocent, children of God above reproach in the midst of a crooked and perverse generation, among whom you appear as lights in the world." Philippians 2:14-15 NASB

We will be celebrating the Church's Anniversary and Pastor Doug and Jan Anniversary on March 29. We will have a dinner after Morning Worship. All are welcome.
