# Delight in the Word

## C.O.M.A. Method

First, we notice what sort of thing we are reading and how it fits with other things around it (**CONTEXT**).

Second, we read the words and sentences and paragraphs, taking note of the main events, people, and content (**OBSERVATION**).

Third, we integrate what we've observed in our heads and form a conclusion about what the author is trying to say (**MEANING**).

Fourth, we reflect on whether the author's message has any relevance in our lives (**APPLICATION**).

### Ephesians 3:14-19

#### **Context**

What has happened so far?

#### **Observation**

What are the key words/ideas that are repeated? What does this passage reveal about man's relationship with God?

#### **Meaning**

What did this passage mean to its original audience? How does this passage relate to Jesus?

#### **Application**

What should I do in response to this passage?

## Case Study

In college, Rickey started a daily time with the Lord consisting of Bible reading and prayer. He faithfully got up almost every morning for years at 7am and spent time with the Lord before school. After graduation, Rickey got a new job that starts at 7am, so his day starts at 5am with a shower and breakfast and a 30 minute commute to work. He finishes up work at 5pm, and after his 30 minute commute, he works out for an hour and eats dinner. Before he knows it, he's exhausted and the clock reads 10pm and he must go to bed to get up at 5am the next morning. He has found that his intimacy with God has grown stagnant due to his new schedule.

## Discussion
