Connection Group Discussion

- 1. What was the most interesting or important take away you heard from **John 9:1-41**?
- 2. When people are in pain or suffering, what is the proper way to respond to their situation? Can you give an example in your own life?
- 3. What stood out to you about the healing miracle of the man born blind?
- 4. In **John 9:25** the healed man succinctly shares his testimony. In talking with the religious leaders, the man tells his story of what his life was like before Christ, what happened when he met Jesus and how his life was changed. Can you share your faith story in one minute or less using this same simple formula? Are you willing to share your faith story with the group?
