Connection Group Discussion

In **John 11**, we find several keys to doing the works of Jesus. Re-read the chapter, looking for the five keys of following the Holy Spirit, being sensitive to individuals, being fueled by holy anger, expecting God to do miracles through you and refusing to loss hope.

- 1. During this series, what opportunities have you had to live out "everyday Jesus" in your own life? What happened?
- 2. Read **John 11:9-10**. Have you ever had a situation where you sense the Lord telling you to wait? What happened? Were you eventually given a green light to move ahead? What happened?
- 3. Read **John 11:33-35**. What comes to your mind when you read that "Jesus wept"? How can anger fuel us for good? Have you ever been driven to do good because of anger?
- 4. Read **John 11:43-44**. Have you ever seen God turn around a situation that appeared impossible? What happened?

Never Lose Hope
