Success: Fantasy or Reality

1. How do you define success?
Why?

2. What are some of the most successful moments in your life?
Why do you view those as a success?

3. How did your parents' treat your success (or lack there of) when you were growing up? How has that shaped your view of success?

4. How do you feel God views success and how does that compare with your view?

5. How can you make sure your view of success looks more like God's view?
