LIVING IN STEP WITH THE SPIRIT OF GOD

HEAD

- ✚ May we, as the children of peace, endeavor to accomplish two things:
 - ✚ **Model** what peace looks like to a waiting and watching world.
 - ✚ **Introduce** a divided and divisive world to the God of peace.

HEART

- ✦ Was it **helpful** hearing that Jesus' peace, which resides in Him alone, is what He gives to us & we don't generate or cultivate it?
- ✦ How does Jack Dawson's winning painting **modify** your concept of peace?

HANDS

- ✚ **Identity** places where the peace of God is either absent or lacking in your home, church, or in the world – pray for God's wisdom about how to reverse that reality.
- ✚ **Use** our logo as a symbol to aid you in communicating the gospel.
