

The background features a dark blue sphere in the center, surrounded by a dense, colorful explosion of particle trails. These trails, in shades of cyan, magenta, and blue, radiate outwards, creating a sense of dynamic energy and movement. The overall aesthetic is futuristic and spiritual.

CADENCE

LIVING IN STEP WITH THE SPIRIT OF GOD

HEAD

✚ “Those whom God declares righteous on the basis of their faith in Christ’s work **for** them, God also makes righteous by the work of his Spirit **within** them.”

HEART

- ✚ How does the concept of “repenting and rejoicing” **inspire** you to overcome idolatry and other sins?
- ✚ What are some practical ways we can **identify** selfish ambition in a culture that often popularizes self-interest and self-promotion?

HANDS

- ✦ This week, **conduct** a personal "idol inventory" using the 20 examples given. **Pray** about any areas where you may be placing something above God. **Share** with an accountability partner and **develop** a plan to address it through prayer and practical steps.
- ✦ **Practice** asking yourself "Is this about me?" before acting or speaking, to guard against selfish ambition.
- ✦ **Reflect** on ways you can use your social media presence to uplift others and draw attention to God's kingdom rather than self-promotion.
- ✦ If you're struggling with any form of substance abuse or addiction, **reach out** to a trusted friend or leader in the church for support and resources.
