

Day 30

Read Ephesians 1: 1-14.

God has a plan for you and for FBC Sanger. We know that His plan includes making believers of unbelievers and disciples of believers. But what does the outworking of that plan look like?

Remember that on Day 1 and Day 20 I asked you to write down what Sanger and FBC sanger would look like in 10 years with 10,000 more people living in our area. We have been praying for an additional 10 days. What has changed in your thinking? Do you see the expected growth differently? What has changed in the vision God has shown you about the church and our facilities?

Write down your thoughts, then set them aside until Day 40. Then ask God to refine your dream over the next 10 days.
