

Day 36

Time for another prayer walk. Before you set out on your walk, read Proverbs 3: 5-6 again. As you walk ask God to help you fully trust Him to lead your prayer time. Let Him guide you on the direction to walk, what topics to pray over while you walk.

If you can't walk, either take a drive and pray, or visualize your neighborhood or the church and ask God to show you specific items to pray over.
