

Day 38

Read Philippians 2: 5-11.

Consider what the mindset of Jesus was in coming to earth, living among sinful humans and giving His life on the cross for us? Give praise to Jesus for what He gave up in becoming a man. It is hard for us to truly understand the HUGE step down that was.

Since we are called to be like Christ in our actions, spend some time meditating on the attitude Christ had. How does your life need to change?

In a few weeks, we will hold a business meeting of our church. In that meeting we will be working to elect a Long-Range Planning Committee. This group will bring to the church a recommendation that will have major implications for our future. Pray for the individuals who will be choosing those members. Pray for the individuals who will comprise this committee. Pray that they enter their assignment with the desire to discern God's plan for FBC Sanger in regards to our facilities.

Pray that you will submit to the leadership of the Holy Spirit in this entire process. We can assume that not everyone will have the same opinion, you might be one of those. Pray that God will give you the desire to join the church as we move forward.
