Celebration Luncheon  
in FLC**

This past Sunday we had a busy day at FBC Sanger's buildings. During our worship service, we recognized our graduates. I am always impressed by our graduates. Three out of four graduates are going to university. The fourth used her high school years to prepare herself for a career in the culinary world. My hope is that each of these graduates follows their heart towards Jesus in everything they do. We need to remember to pray for these young men and women as they move into the next phase of their life.

After worship, we held a lunch to honor our Senior Adults. I enjoyed the opportunity to serve this wonderful group of faithful members of FBC Sanger. We are blessed to have men and women of wisdom and willingness to serve who have spent many years on this earth. This group gives so many benefits to our fellowship.

After the lunch, our Mother's Day Out program held their graduation service. On Tuesday and Thursday each week during the school year, our building buzzes with activity as the MDO program works to prepare the next generation for their education experience. We have an amazing group of teachers who work hard to serve these little ones and their parents.

At FBC Sanger, we strive to help every person, no matter their age or background, come to know Jesus as their Lord and Savior. This past Sunday we just saw a great example of serving all ages. Now, we prepare for the craziness of summer!

## *What's at the end of the Ruler?*

My teacher pointed at me with his ruler and said, "At the end of this ruler there's an idiot." I got detention after asking which end.

"When I remember these *things*, I pour out my soul within me. For I used to go with the multitude; I went with them to the house of God, With the voice of **joy** and praise, With a multitude that kept a pilgrim feast." Psalm 42:2 (NKJ)

Sunday's Senior Adult Lunch was a lot of fun! My favorite part was when I asked everyone to go to the serving table and collide in the middle. I apologize for being entertained by the confusion. There were over 50 of us fellowshiping with each other around some good food. I want to thank everyone that filled out the Senior Adult Questionnaire. This really will help the church in meeting the needs that are out there. I have learned so much in reading through them. If you are interested in helping with the Senior Adult Ministry, I hope you will let me know. You are welcome to attend a planning meeting on Thursday, May 26 at 10:15 AM. There are plenty of ideas for fellowship and ministry, so we will be forming a leadership team to listen and plan. I hope you all will be praying for this ministry - that it will be all the Lord wants and not limited by our own ideas, schedules, and energy!

On another note, I wanted to thank everyone who wished me a happy birthday and those that came to my "party," instead of beating everyone to the restaurant. I can't believe anyone hung around, but it made me feel so warm and so old! I was wanting to fly under the radar on this one, but thanks to my wife, that was not the case. I'm still looking for the leak that was reported in the Fellowship Hall that day. Apparently, there were no leaks! Good job!
