

Session 2 Discussion Questions

1. Share your name and one thing that stood out to you in this week's study materials (homework or teaching).
2. How did the fourfold framework of **Foreshadow**, **Falls Short**, **Fulfillment**, and **Forward** assist you in organizing how you think about the Tabernacle and the Temple?
3. Read John 14:6. Based on what you learned this week, what significance does this verse take on?
4. To help you with the **Forward** component of the framework, discuss the following questions:

Because Jesus has restored full spiritual access to God:

What is one way I can reflect this truth in how I worship Him?

What is one way I can acknowledge this truth in how I pray?

What is one way I can carry this truth in my day-to-day walk?

What is one way I can shine the light of this truth to others?

Because I am a Temple for the Lord:

What is one way I can reflect this truth in how I worship Him?

What is one way I can acknowledge this truth in how I pray?

What is one way I can carry this truth in my day-to-day walk?

What is one way I can shine the light of this truth to others?
