

Session 4 Discussion Questions

1. Share your name and one thing that stood out to you in this week's study materials (homework or teaching).
2. How did the fourfold framework of **Foreshadow**, **Falls Short**, **Fulfillment**, and **Forward** assist you in organizing how you think about the priesthood?
3. Since the new covenant inaugurated the priesthood of all believers, what does it look like specifically to practice mediation and intercession in our own lives?
4. To help you with the **Forward** component of the framework, discuss the following questions:

Because Jesus is the superior high priest:

What is one way I can reflect this truth in how I worship Him?

What is one way I can acknowledge this truth in how I pray?

What is one way I can carry this truth in my day-to-day walk?

What is one way I can shine the light of this truth to others?
