

## “Ally” Acts 4

### **Read Acts IV**

Jesus is the Resurrection. His name is salvation. His name is the only name that sets people free and gets them to heaven. We must not be scared to use the name.

### **Things to Consider:**

Why don't the religious leaders want the apostles using the name of Jesus?

Why should we use the name of Jesus?

When and where should we use the name of Jesus?

What are some good ways we can share Jesus with our friends.

Share a time you told your friends or family about Jesus and what he did for you.

If you haven't shared Jesus, talk about why you haven't.

### **ACTIONSTEP:**

The Name of Jesus is the name of Resurrection Power. It is healing and life to the broken. Tell one person about your Lord Jesus this week. Be bold. Tell them how much He loves them and what He did for them.
