Note to parents:

Kids need the love and unity of the church now more than ever. As believers in Jesus, we can experience joy in our relationships with one another. Jesus prayed for his followers to be united by love. The way we care about each other is a reflection of how God cares about us. Our togetherness and conflict resolution are the Gospel testimony to the world

Talk to your children about ways you have handled conflict in the past when you disagreed with a brother or sister in Christ.

Talk about ways you have seen the church love one another and how that has reflected God’s love to you.

Encourage your children to put into practice the principles they have learned in Sunday School.
