Go Deeper This Week

Scripture and Questions for Study and Reflection:

1. **Read Psalm 22: 1-22.** In what ways have you felt these same ways?

2. **Read Psalm 22: 23-31.** Have you ever praised God in the midst of being forsaken, despised, mocked, insulted, and/or bullied? It's hard. How does the Psalmist respond?

3. As we approach Holy Week, what parts of Psalm are parts of the Passion Story (of Jesus' suffering and death)?

4. In what ways have you been healed through prayer?

5. In what way(s) has another been healed through prayer?

6. In what ways have you been able to forgive another?

7. In what ways have you been able to practice Jesus' Rule found in Matthew 18?

8. You heard Kyle's testimony last week. What is your testimony of how God, Jesus, and the Holy Spirit have worked in your life?

Prayer of the Week:

God of new beginnings, you wipe away our tears and set us upon a new path. Heal us Jesus. Holy Spirit permeate our lives, so that we are healed of all illnesses - of body, mind, soul, and broken relationships – through our Triune God we pray. Amen.
