

By the grace of God.....

I am a child of God, born again, forgiven, and filled with His Spirit. Devil, it is written.....People do not live by bread alone, but by every word that comes from the mouth of God and I am hungry. I was bought with a price and my life is no longer my own, every time I confess my sin God is faithful and just to forgive me and cleanse me. I have chosen to walk in repentance and live a holy life...I have overcome you devil by the blood of the lamb and the word of my testimony, there is no weapon formed against me that will prosper, and God will complete the work he has begun in me. Every test or temptation you bring into my life will produce a testimony that will bring other people to the saving knowledge of Jesus Christ!! So in the name of Jesus I break agreement with you and render you lies powerless in my life. So now get up and leave in Jesus name!

Amen and Amen
